

Strong, Lightweight *Aluminum* Folding Stairway: #800

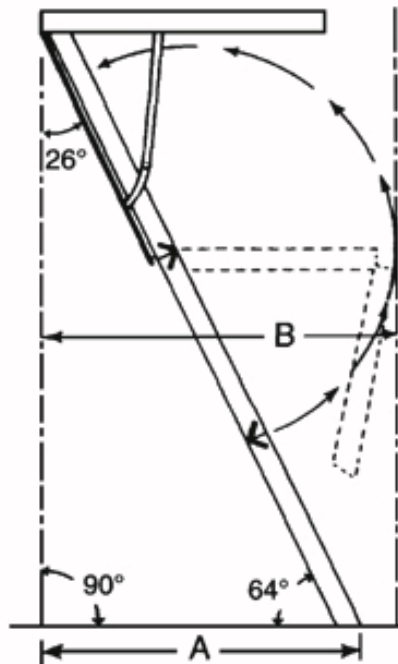

Weight Capacity 350 lbs

- Pre-drilled Installation Holes
- Full Width Heavy Duty Piano Hinge
Reaches across the entire width of stairway. That means far more strength and rigidity than any other stairway hinge now in use.
- Easy First Step Out of Attic for enhanced personal safety.
- Re-inforced Door Panel
Spacer and Runner Construction on Door to Prevent Warpage.
- Safety Locknut to Secure Spring Arm to Ladder Section.

| Rough Opening W x L | Ceiling Height | # of Treads | A** Landing Space | B Projection | lbs. per Unit | List Each |
|------------------------|-------------------|----------------|-------------------------|-----------------|------------------|--------------|
| 22" x 54" | 8'9" | 9 | 58" | 66" | 58 | \$421 |
| 22" x 54" | 10' | 11 | 65" | 79" | 63 | \$442 |
| 25 1/2" x 54" | 8'9" | 9 | 58" | 66" | 62 | \$422 |
| 25 1/2" x 54" | 10' | 11 | 65" | 79" | 66 | \$447 |
| 30" x 54" | 8'9" | 9 | 59" | 66" | 67 | |
| 30" x 54" | 10' | 11 | 66" | 79" | 71 | \$506 |
