Schlage Discontinued

Rationalization of lever, knob, trim, and handlesets will be occurring over the course of 2016 and 2017. The goal of this program is to simplify and update their offering, remove complexity, and align decorative trim, deadbolt, and handleset offerings. There will be a three stage approach to obsoleting SKUs, occurring on the following dates:

First Wave: October 28th, 2016

Second & Third Wave: 2017

HB&G Pergolas & Outdoor Living

Fiberglass Pergolas

HB&G manufactures structural fiberglass pergola kits using pultrusion technology to produce the strongest yet lightest structures available with a limited lifetime warranty. Their structural fiberglass components are strong, lightweight, and provide a higher level of aesthetic quality than vinyl or wood pergolas.

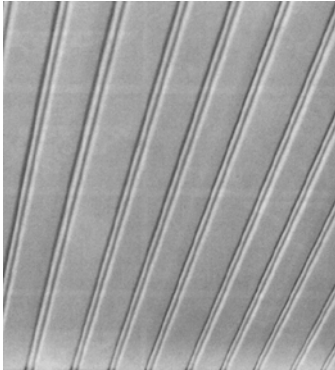

Our stock pergolas are wind load rated and manufactured white with Spartan Rails and square or no-taper round PermaLite® pultruded fiberglass columns without neck molding.

Cellular PVC Pergolas

Pergolas, arbors, and trellises add distinction to any outdoor environment. Made with high quality cellular PVC and PermaCast® columns, HB&G now offers high quality pergolas, arbors, and trellises. Standard and premium pergolas are available in two sizes 8' and 10' with (4) 10"x8' round PermaCast® columns and a complete installation kit. Custom pergolas, arbors, and trellises are also available. Our customer service representatives are ready to help you create a custom trellis, custom arbor, or custom pergola that will add distinction and value to any home.

HBG Outdoor Living!

- Privacy Screens - creating backyard privacy
- Entry Arbors - great accent for landscape projects
- [Eyebrow/Trellises](#) - complements the architecture of a home

HB&G will soon be transitioning from the 7 7/8" wide porch ceiling to the 4 3/4" wide porch ceiling with capstock. To facilitate this process, they are having a close-out sale of existing 7 7/8" wide inventory. The only SKU that remains is the 56101 white 12' long. An additional 15% off of list price, while supplies last. All orders will be final. No returns.
