New MultiPointe Door Hardware

+ Install a broad range of styles at a more affordable price.

+ Make hardware selections when it works for you – not when you specify doors.

+ Match hardware designs on other doors.

+ Affordably and simply change hardware at any time.

How it works

PanoLock works with Schlage, Emtek and other manufacture hardware via innovative plug-n play latch and deadbolt adapters that mate with multiple brands and styles. [See our web page.](#) for more information.
