

B&B

NEW - Satin Nickel Barn Bypass Hardware

Our Designer line of Flat Track barn hardware has expanded to include bypass hardware for the Satin Nickel Finish.

[Click Here](#)

[Don't forget our MFS3 BLACK barn hardware set for a list of only \\$111](#)

Custom Fypon quotes (items not listed in their catalog) will focus on large projects that are slated to begin within 12 months. **However**, B&B will continue to provide our Genthane custom urethane product in any quantity required.
