EMTEK[®]
ASSA ABLOY

Emtek Concealed Screws:

**CF Mechanism orders will now be assembled
and shipped to fit a standard door thickness of
1-3/8". Please specify if thicker to ensure a
proper fit.**

The image shows a close-up of a modern, brushed metal door handle. The handle is sleek and curved, attached to a circular base. A small screw is visible on the base. The background is dark, making the metallic finish stand out. The Emtek and Assa Abloy logos are in the top right corner. Below the image, there is a dark grey box containing white text about concealed screws.
