JBE Schlage Residential Electronic Deadbolt

The Schlage JBE Electronic Residential locks provide freedom from keys by integrating a convenient, easy-to-use keypad. Share up to 10 unique access codes and secure any entrance with style. Using only a screwdriver, these locks can be installed in minutes with no hardwiring needed.

Stock (pictured above)
JBE105.GAT.619
JBE105.GAT.716

Also available in the Billows model and as a lever lock (JFE105)
