

Note: Some specs change depending on the length of the shelf and the stile of the door. Below is the most common shelf size.

For example the 28" shelf for 3/0 door with 5-1/2" Stiles the block size is 3-1/2" wide and space between blocks is 3-1/2".

A 30" shelf for 3/0 door with 4-1/2" stiles the block size is 4" and space between blocks is 3-1/2".

We reserve the right to change specifications without notice.

Large Dentil Shelf drawn for a 36" wide door with a 5-1/2" Stile.
