

ONE-YEAR LIMITED WARRANTY EASY-CHANGE WOOD COMBINATION DOORS

The Combination Door Company warrants their Easy-Change Wood Combination Doors to be free from manufacturing defects for the period of 1 (one) year from the date of purchase by builder or consumer. If a defect exists, and provided written notice of claim is received by The Combination Door Company or the dealer who sold your door promptly after the defect becomes known to you, and within 1 (one) year from the date of purchase, the defective product will be repaired or (at The Combination Door Company's option) replaced. ***In no situation does the warranty cover the cost of labor, installation, finishing or other incidentals relating to the replacement door(s), all of which shall be the sole responsibility of the person making the claim.*** If the claimed defect is warp, The Combination Door Company may defer replacing the door for a period up to twelve months from the date of installation, in order to permit acclimation to humidity and temperature conditions. This deferral will not count against the ONE-YEAR WARRANTY PERIOD.
